Personal Attributes

- Able to work effectively in a team, where good communication is important for the exchange of ideas and mutual benefit
- Efficient time management and good organisational skills, whether on a personal or team basis
- Appreciation of need for trust, responsibility and integrity in the workplace, in order to provide a stable environment in which to work.
- Desire and motivation to achieve established project targets within a specified time frame.
- Fortunate enough to be well-travelled. Gained much experience of other cultures and understanding of different social values, along with a better appreciation for my own situation
- Enjoy the company of other people and as someone with a gregarious nature I am always happy to be in the spotlight.

Interests

Music	Achieved grade 6 on piano, grade 5 on French horn and grade 4 singing. Enjoyed performing in numerous concerts, both solo and in groups whilst at school.
Sport	I enjoy swimming, sailing, skiing, horse riding and scuba diving recreationally. I reached Advanced Open Water PADI scuba diving qualification and have a Deep Diving Speciality
Gap Year	I spent 10 weeks in the Bahamas working for a volunteer organisation called Greenforce researching the reef. Went scuba diving twice a day and learnt to recognise most fish on the reef.
Art and Design	In my spare time I enjoy designing tshirts. I have sold designs on several large online tshirt retailers.
Career Goals	Aiming to find a career within the VFX industry as a rigger with a focus on realistic/fantasy creatures.
Leisure	To relax I enjoy a variety of pastimes including reading, computer games, board games, film and TV.
